Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Sandy Run K-8 School prides itself in educating all of its students in order that they may develop skills that will enable them to be fully functioning and diversely educated individuals who are prepared to meet the challenges of life in the twenty-first century. To achieve these goals, students receive an integrated education that provides them with academic knowledge and assists them in their own personal development. Differentiated learning is utilized within the classrooms that addresses the different learning styles of the students and meets their individual needs.

Teachers are continuously exposed to different methods of teaching by attending various workshops both in and out of our district. The teachers use this knowledge to help their teaching style, along with exposing other teachers to the new methods they were taught.

As a school community we have been recognized as an Award Winning School. This was accomplished by achieving high PASS scores for two consecutive years. We were also awarded the Palmetto Silver Award for “closing the achievement gap.”

Parental involvement has always been a vital cog to our success. The parents at Sandy Run K-8 are available to help in any way necessary. This involvement with the community has helped Sandy Run K-8 grow in a very positive fashion.

The faculty at Sandy Run K-8 takes the education and safety of every child very seriously. We will continue to make sure that each child can reach his or her fullest potential in a safe and caring environment.

Sincerely,

George Kiernan
Principal Sandy Run K-8

Lisa Williams
President School Improvement Council
